Good evening,

I am submitting my comments as a 5 year resident of the state of New Mexico.

I urge you to NOT eliminate the annual camping park pass for state residents.

The annual pass ensures my families access to outdoor recreation inside our state at an affordable price. If prices were increased or eliminated for out of state residents, the I could support that initiative. But eliminating the pass removes our ability to budget outdoor access for my family.

Thank you for your consideration,
Chuck Kuykendall
