I am in favor of increasing the fees for our parks, as it is long overdue. There are two points I disagree with on the proposed fees. First, is making daily entrance for state residents free. I think that will encourage some elements of our population to just hang out at our parks and take up tables and use facilities on a daily basis. I think keeping a minimal \$5.00 fee would eliminate much of this.

More importantly, I see no camping discount for seniors. The current senior pass has made it possible for us to enjoy the parks on our fixed income. We will not be able to afford \$30 per night for hook-up sites plus a possible dump fee. We have enjoyed our parks immensely, using them frequently. I am very sad that without some type of senior discount, we will no longer have that opportunity.

Thank you,
