To whom it may concern,

The new fee's that are being discussed are not realistic. New Mexico is the poorest state in the nation with wages at the poverty level. Raising boat registration fees is also un realistic, because the registrations are never checked, to prove my case just walk the boat slips at any NM marina. Removing the Veterans discount is disgraceful!

My proposal would be to double the yearly pass charges.

Adding an additional charge of \$10.00 per dump.

Raising fees by \$2.00 across the board for non season pass holders.
