Sirs.

I am sure it wont make any difference in the decision making process but I am just over 2 years from retirement. I was depending on the senior annual pass for my retirement years. The news that you were going to do away with the annual passes is just devastating to me. If there is no annual pass then I simply won't be able to afford to spend any time in the state parks and will have to utilize National Forests and BLM lands for my camping experiences.

Please don't do away with the annual passes.
